

## Services

At Botanical Belonging, we're working toward our vision of a regional community in which people understand, appreciate, protect, and restore our local native plant communities, both in natural areas and in their home gardens. But you don't always have to come to us. In order to reach the whole community, we've set aside some time so that **we can come to you.**

[HIRE AN EXPERT](#)

### Hire a native plant expert

Whether you're a homeowner replacing a patch of lawn with wildflowers, a business owner launching a corporate volunteering program, or a local educator or nonprofit yourself, we'd love to work with you. The experts at Botanical Belonging are available for a wide range of partnerships and consulting opportunities.

Please get in touch if you'd like more information about:

- Hiring an expert on native plants
- Commissioning a native plant garden plan
- Speakers for public or private talks
- Workshops
- Site visits
- Etc.

Fees vary; please inquire for pricing. Most **site visits for homeowners start at \$150.**

Travel more than 45 minutes from Happy Apple's Farm may incur a travel fee. We'd love to help you or your organization learn more about native plants and how to grow them!
